

## Don't Shoot

As a taxpayer, your job is to protect and serve

But what you're doing to minorities is absurd

Beating us

Kicking us

Choking us

Killing us

What did we do to you?

Do you want to chain us and lynch us too?

Profiling is wrong

There is no doubt

Racism is at the root

Shall I spell it out?

You wonder why you're hated by people of color, you see

Mistrust

Unjust

Those are just some of the things that hold the jail key

Mr. Policeman, please don't shoot me
